10. *Repeal*.—The Kerala Board of Revenue Act, 1957 (7 of 1957), is hereby repealed.

STATEMENT OF OBJECTS AND REASONS

The Board of Revenue for the State of Kerala was constituted under the Kerala Board of Revenue Act, 1957 (7 of 1957). The circumstances under which the Board of Revenue was constituted have since changed very much and in the interest of the administration of the State, Government propose to abolish the Board of Revenue. Government also consider it necessary to make suitable provision for entrusting the powers now exercised and the duties now performed by the Board of Revenue and the Members of the Board of Revenue under the various enactments, to the Government and other appropriate authorities as may be specified by the Government

2. The Bill seeks to achieve the above objects.

FINANCIAL MEMORANDUM

Sub-clause (1) of clause 5 of the Bill seeks to provide for the appointment of such number of Commissioners as the Government may deem fit. The Legislation, therefore, involves expenditure from the Consolidated Fund of the State. But it is not possible at this stage to estimate with any degree of accuracy the expenditure likely to be incurred from the Consolidated Fund of the State on this account.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Sub-clause (2) of clause 1 of the Bill seeks to empower the Government to appoint by notification in the Gazette the date on which the Act shall come into force.

Sub-clause (1) of clause 4 seeks to empower the Government to specify by notification in the Gazette the authority or officer who is to exercise or perform the powers and duties of the Board of Revenue or any member of the Board of Revenue in respect of such matters and with effect from such date as may be specified in the notification. Sub-clause (2) of clause 4 seeks to empower the Government to modify or cancel by notification in the Gazette, any notification issued under sub-section (1).

Sub-clause (1) of clause 5 of the Bill seeks to empower the Government to appoint, by notification in the Gazette, such number of Commissioners, as they may deem fit, for the purose of section 4. Sub-clause (2) of that clause seeks to provide that Government may, by notification in the Gazette, modify or cancel any appointment made under sub-section (1).

Sub-clause (2) of clause 7 seeks to empower the Government to alter, amend or rescind the standing orders of the Board of Revenue as in force on the date of commencement of the Act.

Sub-clause (1) of clause 8 seeks to empower the Government for a period of two years from the date of commencement of the Act to make provisions or give directions not inconsistent with the provisions of the Act, by order notified in the Gazette, for the purpose of removing any difficulty that may arise in giving effect to the provisions of the Act.

Clause 9 seeks to empower the Government to make rules by notification in the Gazette to carry out all or any of the purposes of the Act.

The matters in respect of which notifications or orders may be issued or rules may be made are of an administrative or procedural nature. The delegation of legislative power is therefore of a normal character.
